

OETA to Broadcast “The Grand Energy Transition” Documentary

Robert A. Hefner III’s “The Grand Energy Transition” (GET) documentary is scheduled to be broadcasted on PBS affiliate OETA (Oklahoma Educational Television Authority) on Tuesday, August 14, 2012 at 9PM CST.

OETA – a statewide network that provides a diverse fare of television programs to viewers across Oklahoma and in surrounding states – has more than 1,800,000 viewers tune in on a weekly basis and is Oklahoma’s statewide public media source, providing educational and engaging content and services.
